# Individual Educational Center

for people with a migration background (age over 25)

## What can the Educational Center do for you?

In our individualized Educational center for people with a migration background (usually over 25 years of age), you will be introduced to the training and employment market.

We take care of your personal interests As well as your job-related and linguistic skills.

Your future career is important to us. Together we will reach your professional goals.

## We offer you:

Our instructors, social workers and psychologists are by your side.

## Together with you we will...

- review your existing integration barriers (such as linguistic and technical deficiencies).
- determine or identify your professional knowledge, skills and abilities.
- provide you with job-related, German language skills.
- provide you with job-related, specialist content in theory and practice.

## You can achieve:

Our aim is to get you into an employment relationship that you can sustainably consolidate with our help and support.

Take advantage of your options! E.D.B. will help you.

## You can participate in these ways:

You can take part in the Educational Center either personally at our location or from your home by an online training. Learning by online training from home is safe and secure.

You, your trainer and the other participants of your Educational Center are connected live by PC and the Internet.

You will receive your tasks online or by post, can ask questions at any time by using the chat and exchange ideas with each other in the learning group. Of course we will help you and explain exactly how everything works.
